

Disposal of Assets or Rights Table

If you, your parents, legal guardians, spouse, civil partner or cohabitant (as applicable), disposed of any asset or right in 2025 (apart from the exceptions listed below), you must complete this schedule, detailing the gain or loss which arose.

Please complete a table for each disposal in 2025.

The amount to be included for each disposal is the actual gain or loss, calculated in this table, divided by the number of years for which the asset or right was held.

Losses arising from the disposal of an asset can be offset against all other sources of income in the reference period.

You must give details of all gains and losses on the disposal of assets and rights, whether or not they were exempt from Irish Capital Gains Tax or a foreign equivalent.

Exceptions

The disposal of asset/right table is not required in the following circumstances.

- The disposal of a principal residence, except where the sale price reflects development value.
- In the case of an independent mature student:
 - disposals between you, the applicant, and your spouse, civil partner, or cohabitant.
 - disposals from you, the applicant, or your spouse to your dependent children.
- In the case of all other applicants:
 - disposals between your parents or legal guardians.
